

ROBOTICS WORKSHOP

We will be offering two levels of Robotics workshops this spring. There will be a 20 member limit to each class. Please call the Extension Office at 256-2828 to get signed up!

If you have already been to a level 1 Robotics workshop, please join us for the second level!

In Level 1 you will learn how to build and program a robot by using science, math and technology skills! As a team member, you will make decisions and organize information to complete your robot.

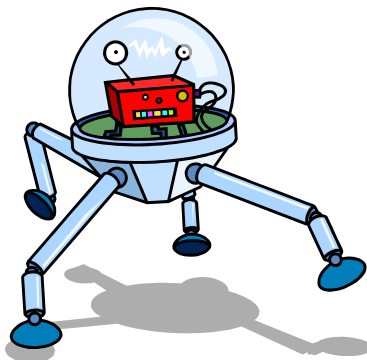

**PLACE: Yellowstone County Court House Room 105
